

## Welcome

We would like to welcome you to Herberton State School (P-10). Herberton State School has a long, proud history starting from 1882 with secondary education being introduced in 1912.

The school offers a curriculum program ranging from Prep to Year 10 with a focus on meeting the needs of all students. Academic, sporting and cultural achievement is nurtured within the school curriculum and proudly publicly recognised.

Since 1994 the school has operated with separate primary and secondary campuses. When enrolling students it is important for parents to make an appointment at the relevant office.
