

New Student Reports

The next report card your child brings home will look different.

All schools - state, Catholic and independent - across Australia are this year working towards report cards that measure a student's achievement using a five-point scale, ie A-E or another similar scale.

These reforms are part of new Commonwealth Government requirements. The end result will be a more consistent approach to assessment and reporting across our schools.

While this does not become mandatory until 2007, our school will be making the change at the end of the year. You will receive further information with your child's report card.

All student report cards will be sent home to parents on Thursday, 14 December. Please contact an administrator at either campus if you require further information.
